St. Benedict's House, our third transitional home, is now housing four men (each has full time employment). Thanks to Steamatic cleaners for donating cleaning the third floor of the mission! Cooling stations are in place at the Mission this summer for anyone who needs a cool place. Sink/toilet facility has been added to the Mission basement for volunteers sorting donations. Space for special needs persons who can't stay in the "dormitory" is being developed. And the July 29 sustainability fair was a great success! Habitat for Humanity

Habitat Urgently Needs Your Help!!

Habitat has had a couple of setbacks since the week long "blitz build" that built the basic structure that included the siding, roof, and windows. Thirty-five volunteers from eight states came to help with the blitz build.

Since then we had to redo the windows in all the bedrooms because the code changed from our last build in 2016 according to the inspector. Also the basement flooded twice destroying the drywall. We are waiting now on the landscapers to come and divert the water from rain to flow away from the house.

Because of these problems the scheduled time for the family to move in is delayed at least until mid September. **Lunches for Saturday are needed during August and September.** If you can help with any Sat please call Elaine Mitchell 581-5919 or email dieltou@gmail.com Usually 15 volunteers eat between 11 and 11:30 at 2975 Lenox Street!

Cash donations are also always welcome! For more information on what is happening at Habitat this summer, contact our office at Dubuque/Jackson Counties Habitat for Humanity, 900 Jackson St., Suite LL5-2E, Dubuque, IA 52001. Phone 563.556.2195. Director@habitatdubuque.org.

Hope House

Dear Friends,
I am writing to ask you to consider volunteering to prepare and serve a Community meal at Hope House. As you know, we serve Community Meals, to which all are invited, on Sunday and Monday evenings at 6:00p. About 25-30 people on average share in the meal. Most of our Monday evening meals are provided by groups that do so every month. Loras College student groups generally serve the meals on Sundays, from October through April. The following Sundays and Mondays may be available, and you can always call us to reserve dates through the Fall:

- August 6, 13, 30, 27, & 28

Please consider preparing and serving one of those meals with a faith-sharing group or with friends. Below is a document that gives more detail about what and how

we do community meals and what you might expect. If you want to schedule a date or want more information, please email or phone me at 563-582-9079
Thanks, and God bless!

Community Meals at Hope House

We normally serve 25-35 people family-style at 6:00p at two tables and, weather permitting, an outdoor picnic table and TV trays, as needed.

Most groups arrive with the food they will serve already prepared, ready to serve immediately or with a little warm-up. You may, if you wish, however, use our gas stove or charcoal grill for cooking and our full kitchen facilities for other food preparation.

We appreciate it when groups provide beverages such as milk and/or fruit drinks/juices. Desserts are always a treat! The resident guests are always grateful for leftovers.

We normally set the tables with our dinnerware. We have an adequate number of serving bowls and utensils.

We'd appreciate it if you could stay and assist with clean-up.

We recommend that you allow time for you and other members of your group to visit with the dinner guests. We would also be very glad to lead short prayer sessions before and/or after the meal, to help you understand the spiritual significance of your hospitality.

If you have questions, please feel free to call Tom Johnson at 563-582-9079

Thanks for your willingness to "feed the hungry" here in Dubuque. God promises that it will be a rewarding experience!

International Day of Peace September 21: Who is an American?

The United Nations International Day of Peace is recognized around the

world every September 21, and Dubuque's Day of Peace Festival each year spans the two week period surrounding that date. We began in 2010 with a single event. By 2016, the festival included about 20 events, with participation from many community groups. Past keynote speakers included Rajmohan Gandhi (grandson of Mohandas K. Gandhi), Rohina Malik (Muslim actress and playwright), and Phillip Lawson (early civil rights pioneer). Our 2017 theme explores immigrants, refugees, and people whose presence in the US is questioned by some, as well as the need to take into account the indigenous perspective on these issues.

Theme for 2017

"Who Is An American?"

Jim Bear Jacobs was born in 1977 in St. Paul, MN. He is a member of the Stockbridge-Munsee Mohican Nation, an American Indian tribe located in central Wisconsin. He has degrees in Pastoral Studies and Christian Theology and has served various churches as youth minister, adult Christian educator, and director of Men's Ministries. He currently serves as an associate pastor of Church Of All Nations. He is a cultural facilitator in the Twin Cities and works to raise the public's awareness of American Indian causes and injustices. He is a convener of "Healing Minnesota Stories," a committee dedicated to creating events of dialogue and education particularly within faith communities. He presently lives in Mounds View MN, with his wife and four young children
