People In Need (P.I.N.)

Do you know of someone in need?

Here is the P.I.N. assist number: (563) 581-7995

Please leave a message since this is only a recorded line. Remember, P.I.N. operates through referrals from social service agencies, churches/congregations and DACU organizations only. Potential clients cannot call directly.

The People In Need (PIN) Board of Directors express sincere gratitude to everyone who has donated recently. We are expecting requests to rise as moratoriums on evictions are lifted and other support systems are relaxed. Be assured we will be good stewards of all that you share with us!

Dubuque Rescue Mission

We continue to provide a "to-go" meal at our breakfast, lunch and dinner operations. The two Thrift Stores continue to provide free clothing to those in need and other household items to those with low to no incomes. We are always in need of good, lightly used furniture and household items. Please encourage your congregations to shop at either of our Mission Thrift Stores for some wonderful deals. Our garden and green house is in full swing. Some of the early lettuces and spinach are being used in our free meal ministry now.

Our new "Kindness Café" food truck is up and running. You can learn more about it on our Facebook page!

Once again, we appreciate your prayers, volunteer support and financial support.

Peace,

Dubuque Food Pantry

Greetings!

Here at the Dubuque Food Pantry, we are excited to share some updates.

Installation of a dumbwaiter to carry items from the basement to the main floor continues! .This will greatly help our volunteers, as canned food can be very heavy.

While we are not providing lunches for kids this summer (there are others supplying this), we are working with area senior centers to deliver food to seniors who can't come to the Pantry. This effort is growing and is being very well received.

Please remember the Pantry as you begin harvesting your summer veg and fruit crops! We will be happy to distribute them.

DACU Community

An Urgent Word from our DACU President! Please Read!

Dear DACU Delegates,

There is a calling that each of us face on any given day or moment. We are offered opportunities to provide service in action and voice solutions or support to the issues that are present in our community. Sometimes we just need the invitation to take the next step. Years ago, as a local youth in Atlanta, Georgia, I was unaware of my potential and yet I was invited to serve as a representative to a local religious council. The opportunity had always been there and available. This simple invitation led me to realize that this leadership role was indeed something that I can do to support my community. Each of us are already involved in supporting our community through our congregations and the organizations that we support or already provide leadership or direction for. There is opportunity to support the Mission of Dubuque Area Congregations United by joining our Board and assist in guiding the programming and projects. We are actively seeking nominations for officers to our Board. Please reach out to me with names and interest in serving as an officer on our Board. Most turns of service on the Board are for just two years and must be an active member of a DACU Member Congregation or Institution. DACU has been a familiar component to our community for many years and can grow in its potential as a support for the Dubuque Area needs. Thank you, each of you for your individual discernment in this invitation and considerations for nominations.

Take Care,
Jean Holdener

Sinsinawa Mound Center will open Queen of the Rosary Chapel for guests to attend our summer organ concert series on Wednesdays at 7 p.m. June through August. Many retreats, workshops, and prayer services have been either moved to a virtual venue or are being held on site for small groups in a designated area of the building with social distancing and mask requirements in place as we continue to adhere to the guidelines set forth by the Centers for Disease Control and Prevention (CDC) to help prevent the spread of the coronavirus (COVID-19) in the United States. We hold our world in prayer as we

work to slow the COVID-19 pandemic and appreciate your cooperation.

From Me to We: Intentional Community and Our Great Realization Tuesday, June 22nd, 6:30-8pm
[Click here for registration details](#)

There is no better time to imagine what we want our lives to look like on the other side of this pandemic. Many are talking about the “[great realization](#)” from quarantine: that we need each other, we need community and a sense of belonging. This webinar will explore ways in which we can embrace this great realization more intentionally. Drawing on his two decades experience in four different intentional communities - both urban and rural - Anglada will cover a brief history of community in the U.S., examples of contemporary forms of community, the advantages and disadvantages of intentional community, and practical tips on starting or joining a community. There will be plenty of time for discussion.

More About Our Summer Organ Concert Series:

Concert guests will follow COVID-19 protocol, including wearing a mask, practicing social distancing and using hand sanitizer, and attendance will be limited to 125 people. Guests will have limited access to the main foyer and Queen of the Rosary Chapel. These concerts will also be offered via livestream. The concerts are available at www.sinsinawa.org/live at the concert time or later in an archived format by tapping or clicking on “on demand.”

Expressive Writing For Healing

Saturday, June 26, 10 a.m. – 11:30 a.m.

Co-sponsored by Benet House Retreat Center and Shalom Spirituality Center

Expressive writing is one of the oldest and most effective means of coping with the emotional fallout from traumatic and stressful life experiences. In this co-sponsored special event, Shalom Program Coordinator Mary Potter Kenyon shares how she wrote her way through a husband's cancer treatment, loss of her mother, husband, and a young grandson. Because journaling facilitated her own healing, Mary began teaching it as a method to help others. This workshop demonstrates the science behind utilizing expressive writing as a tool for healing from traumatic experiences, examples of published expressive writing, methods for getting started in journaling and writing exercises.

\$15 per person. This event will be held via the Benet House Zoom. Register on the Benet Retreat House

Watercolor Playgroup

Introductory Session: Saturday, June 26, 1 – 4 p.m.
Outdoor Painting Sessions: July 31, 3 – 5:30 p.m. & August 21, 3 – 5:30 p.m.
Facilitator: Artist Jo Myers-Walker,
theleftbankstudio.com

The experience of painting in the natural splendor of creation can be a freeing and therapeutic experience. Much can be revealed in the spontaneity and freshness of outdoor painting if we let God have the brush. Spirit can take us beyond the obvious into a deeper awareness of sacred spaces. Iowa City artist and Dubuque Franciscan Associate Jo Myers-Walker will guide participants in some traditional artisan techniques for drawing and painting small vignettes. Discover more of your true self with Jo as she models her process for seeing God in nature with plein air painting, incorporating diverse spiritual resources and weaving many wisdoms into the experience.

No artistic experience necessary. Shoes will be optional while painting outdoors as bare feet can connect us to the earth. Bring a folding chair, if you have one. Each session ends with time to share what you've created. August 21 will include a foot mono printing activity.

\$75, includes the introductory session, two guided painting sessions and all materials. Register at shalomretreats.org or call 563.582.3592 by Monday, June 21.

Green Team Tip – Go Green in 2021!

You can probably do much more than you think you can. There are many simple and easy things we all can do for our planet. **WPC will be offering a few Green Tips each month!**

6/6 Green Team Tip – Learn Something!

Watch a documentary or other movie about environment, climate change or caring for our creation. Learn something new and make a commitment to

yourself to make a positive change in your life and habits.

6/13 Green Team Tip – Use the Battery Saver

Use the battery saver function on your phone or computer. This lets your phone or computer last longer and also saves energy.

6/20 Green Team Tip – Make your opinions be known

Take the initiative to call, write or email your national and state house representative and senator regarding a creation care issue that you are passionate about. Positive environmental change starts with the individual and continues with larger scale change.

6/27 Green Team Tip – Reuse!

Don't use an item just once. What disposable items in your life could you replace with reusable options? Do you use cloth napkins or paper? Do you have a reusable water bottle or disposable? Do you use cleaning wipes or cloths? Do you pack your lunch in plastic bags or in reusable containers

Does your organization or congregation have items you would like to include in the DACU Newsletter? Just email the editor at phyllisgarfield@hotmail.com

We are happy to share any information that is in keeping with our DACU mission statement.

REMEMBER: Membership in DACU is open to all who share DACU's mission. If you wish more information about how your congregation or organization can become involved, just contact DACU President Dr. Jean Holdener (jholdene@dbq.edu)

PROTECT YOURSELF, YOUR FAMILY, AND YOUR COMMUNITY.

SLEEVES UP!

Everyone 16 years of age and older is eligible to get a COVID-19 vaccination.

Ways to Get Vaccinated

COVID-19 vaccines are free of charge

Walk-In / No-Appointment Clinics

Walk-in vaccine clinics are being offered. No appointments are required. Vaccine clinic dates, times, and locations are available at www.dubuquecounty.org/sleevesup

Healthcare Provider Appointments and Pharmacy Appointments

Local healthcare providers and pharmacies are offering vaccine appointments. Most of these appointments are scheduled online. Website links and phone numbers are available at www.dubuquecounty.org/sleevesup

Vaccine Safety

COVID-19 vaccines were evaluated in tens of thousands of participants in clinical trials and met FDA's rigorous scientific standards for safety and effectiveness.

Over 211 million doses of COVID-19 vaccine have been administered in the United States. The vaccines are undergoing the most intensive safety monitoring in U.S. history.

Long-term side effects following any vaccination are extremely rare. Vaccine monitoring has historically shown that if side effects are going to happen, they generally happen within six weeks of receiving a vaccine dose.

Getting back to the people and places we love, safely.

A COVID-19 vaccine will help:

- ☒ Prevent you from getting COVID-19 or from becoming seriously ill or dying due to COVID-19
- ☒ Prevent you from spreading the COVID-19 virus to others
- ☒ Increase the number of people in the community who are protected from getting COVID-19 – making it harder for the disease to spread and contributing to herd immunity
- ☒ Prevent the COVID-19 virus from spreading and replicating, which allows it to mutate and possibly become more resistant to vaccines

For assistance making a vaccine appointment

Health Care for Kids!

Even when life is a little uncertain, kids still need to see their doctor for routine care. Routine well-child visits help pediatricians determine if kids are meeting important developmental milestones and give age-appropriate immunizations. Families should contact their health care provider and schedule an appointment to catch up on missed visits and vaccinations.

Many uninsured children may be eligible for free or low-cost health insurance through Medicaid and the Children's Health Insurance Program (Hawki). Eligibility is dependent on household size and income. A family of 4 earning up to \$80,030/ year may qualify for Hawki. For children and teens, age 0-18, routine care including check-ups, vaccines, dental cleanings, and eye exams are covered. Enrollment in Medicaid and Hawki is open year-round. For more information visit <http://dhs.iowa.gov/hawki>, call Hawki Member Services at 1-800-257-8563 or contact the local Outreach Coordinator at Visiting Nurse Association (VNA) at 563-556-6200 ext. 1933.
